6.9.3 The Trial Secretary shall amend the judge's book and the marked catalogue, which is to be sent to the CKC with the requests attached to the appropriate entry forms.

6.9.4 If it is established by the CKC that a dog moved up to the next level has not completed the requirements for the lower level before moving up, then all qualifying ribbons and/or awards earned by the dog incorrectly entered shall be forfeited and cancelled by the CKC and the owner may be subject to disciplinary action.

6.9.5 In order for a dog to be eligible to move up, the dog must be individually registered with the CKC, have a Performance Event Number (PEN), or an Event Registration Number (ERN) before entries close. The addition of a CKC number after close of entries does not make the dog eligible and will result in referral to the Discipline Committee.

6.9.8 Exhibitors incorrectly entered in the A class are permitted to move the dog to the corresponding B or C class up to one hour before the start of the trial. Exhibitors incorrectly entered in the Novice B class are permitted to move the dog to the Novice C class up to one hour before the start of the trial.

6.9.7 Exhibitors entered in the Open H classes are permitted to move to the Open 18 classes and vice versa up to one hour before the start of the trial.

6.9.8 Exhibitors incorrectly entered in the Novice B class are permitted to move the dog to the Novice C class up to one hour before the start of the trial.

## **CKC Rules & Regulations Extracts**

### **3.6 Indignities to a Judge**

3.6.1 A judge officiating at a trial held under these rules shall not be subjected to indignities of any kind during the progress of the trial. It shall be the duty and obligation of the club holding the trial to see that this rule is effectively carried out.

### **4.4 Limited Entries**

4.4. If indications point to a probable entry in any or all classes in excess of the club's capabilities, it may limit entries in any or all classes by prominent announcement on the title cover page of its premium list, or immediately under the obedience and/or rally heading in the premium list of a combined conformation show and obedience and/or rally trial, that entries in such class, classes or trial, will close automatically when a certain limit has been reached, even if the official closing date for entries has not arrived.

4.4.2 When the advertised limit (if applicable) has been reached, all remaining entries may be assigned a position (by class) on the reserve list. The person making the entry shall be notified of his position on the list. In the event that the entry of a bitch in season is withdrawn after the closing date, it may be substituted with one from the reserve list up to and including the day of the trial. At the club's discretion, if the club is notified in writing after the closing date that an entry other than a bitch in season will be absent from a trial, the entry may be substituted with one from the reserve list up to 24 hours prior to the trial. Fees will not be refunded for any reason other than a bitch being in season and to those on the reserve list who did not participate in the trial. Entry fees will be refunded within 10 days following the trial for those on the reserve list who did not participate in the trial.

### **6.4 Dogs Must Compete**

6.4.1 Any dog entered and received at a trial must compete in all exercises of all classes in which it is entered, unless excused by the judge, official veterinarian, superintendent, or the Trial Committee chair. If excused by the official veterinarian, the excuse must be in writing on the form provided and attached to the judge's book. If the dog is excused by either the superintendent or Trial Committee chair, a note to this effect must be written on the inside cover of the judge's book and the reason stated thereon.

### **6.5 Bitches In Season**

6.5.1 Bitches in season are not permitted to compete. The judge of a trial must remove from competition any bitch in season, or any bitch which appears so attractive to males as to be a disturbing element.

6.5.2 When a bitch comes into season after entries have closed, the trial-giving club must refund the entry fee and listing fee providing the trial secretary receives, on or before the date of the trial, a veterinarian's certificate declaring that the bitch was in season within the 10 day period preceding the trial.
