## Our Esteemed Judge, Mr. Ake Cronander, Sweden

As a child, I was very much for dogs. Early it was the neighbor's German Shepherd who was my big favorite, but then I was cheating on a dog and it became a short-haired Dachshund. In a short period of the early 60's, there was also a Bernese Mountain Dog in the home for some time.

My first really own dog, a Dalmatian, bought in the early 70's and began to exhibit and then it became another one that became a champion quite fast and so I was stuck. For almost 50 years I have been engaged in the breed but have not had any at home for some years. Have bred several good dogs exported to Hungary and Ukraine.

In 1989 I bought my first Whippet. With this breed, I have had quite a great success with dog of the year 2 years in a row, and breed for almost 30 years. International exchange of dogs lent to Australia, resulting in offspring in several countries.

In the mid 90's, the Grand Basset Griffon Vendéen was a new breed that I exhibited, resulting in all breed dog-2 in Sweden 1995. Has been a part-owner of a dwarf poodle that I received from Australia many years ago and part-owner in a standard Poodle, all breed dog-2 in Sweden 2006 and also BOB at Crufts.

I have always had a very wide dog interest and have been to a very large number of dog shows for many years. I have looked at many breeds a little here and a little bit there and have a pretty good picture of many breeds. I have also always tried to see group competitions and, I can say that in most breeds I have seen several 100s BOB winners who together gave me my picture of each race.

The Sighthound group is probably the breed group that I feel a bit extra for and followed for many years and has previously judged the Whippet at the Euro Sighthound show two times.

During some years I was also Chairman and responsible for the famous "Skokloster Exhibition" for all the Sighthounds with about 1000 entries yearly.

Sighthounds is always the breeds close to my heart and I have judged the breeds during many years in more or less all European countries, Australia and Japan. I have also judged Euro Sighthound Show 2 times.

Judging dogs is usually a very nice job. I always try to get my picture of how a breed looks and try to judge for it and of course standard. For me all over quality is more important than no minor faults. Watching dogs of different breeds in many countries is very useful and hopefully provides an even better opportunity to judge in a good way. I judge about 30 exhibits a year.

I'm judging FCI groups 1,2,4,9, and 10, qualified for group 3.5 and 6 waiting for confirmation, and also some breeds in group 8.

## Specialty Judge Mrs. Lesley Brabyn (Timaru Anatolians & Salukis)

Lesley began showing dogs in 1964 and since then, has owned or bred over 70 champions, 50 of which were bred under the Timaru prefix. Primarily involved with Salukis and more recently Anatolian Shepherds, she has owner-handled many to national and regional Specialty wins, Group placements and multiple NOH-BIS. There are Timaru champions in England, Australia, Japan and Canada as well as many in the U.S. Dedicated to the concept that not only should a dog adhere to the Standard, it must be functional as well, Timaru

Salukis have achieved top rankings in conformation, obedience, open field coursing, lure coursing and racing and her Anatolians champions actively guard livestock on her remote 400 acre ranch. Lesley has served on the Boards of the Saluki Club of America, the American Saluki Association and the Saluki Club of Greater San Francisco and written numerous articles for breed publications in the U.S. and England. She is an AKC Breeder of Merit and was awarded the AKC Outstanding Sportsmanship Award in 2007 by the Saluki Club of America. Licensed to judge since 2000, she has had assignments in Canada, New Zealand, Australia, England, Finland and Sweden as well as at numerous Specialties and supported entries around the U.S. She and her husband of 39 years own and operate a 400 acre working organic ranch on the Sonoma coast in Northern California where they raise goats, cattle, ducks and geese.

## Sweepstakes Judge, Jennifer Trefonas Tigris Salukis

I grew up in a family that showed German Shepherds. I showed German Shepherds and an Irish Setter since the age of ten. I used to own and show Dalmatians. I was showing my Dalmatian bitch and had been seeing, watching and falling in love with Salukis. I met Sue Ann Pietros in Ocala, FL at a show and she put me in touch with a breeder in VA. My first Saluki was a desert bred male. I have been in Salukis since 1997. I have had 3 Saluki litters and have finished 4 of my males myself (owner-handled). I moved to CA

in 2008 to explore OFC where 2 of my Salukis gained both their coursing championships and their courser of merit titles. One of my Salukis was #1 OFC Saluki bitch, #1 novice OFC and several other titles. My Salukis have also excelled in lure coursing! My first lure coursing Saluki won Best in Field 10 times and 7 of my Salukis have lure coursing titles, including 4 lure coursing champion titles. I am currently working with my youngest (almost 3 yr. old) to attain Grand Championship (she was in the top 20 for Saluki singles nationally in 2018) My plan for Tigris is to continue producing top Salukis in both form and function.

15.1.7 The number of championship points to be credited to a dog awarded Winners shall be determined by the highest award earned and calculated as per this section.

Clarification:

Example of directly or indirectly defeating: If the Winners Bitch is awarded Best of Opposite Sex but not Best of Winners, the Best of Winners Male shall be deemed to have indirectly defeated the Specials Bitches, and is thus entitled to add them to the number of dogs and bitches defeated.

(b) be registered in the records of the CKC, have an Event Registration Number (ERN), or have a Miscellaneous Certification Number (MCN).

(c) have earned at least one 2 point win either at the breed or group level.

15.1.13 The Board interprets the words "earn at least 10 championship points under 3 different judges" to mean:

(a) 3 or more Winners awards at not less than 3 different shows, under 3 different judges at the breed level;

(b) each of the 3 Judge's awards must be one or more championship points won at Winners, Best of Winners, Best of Breed or group placing;

(c) all points required for championship status may be earned at winners, best of winners, best of breed or group placing.

**15.2 Grand Champion (GCh)**

15.2.1 The title of Grand Champion may only be earned after the completion of the CKC conformation Championship.

15.2.2 Points for this title are only accumulated after the completion of the conformation Championship and do not include the points earned in attaining the conformation championship.

15.2.3 To be awarded a Grand Champion title, a dog must attain a minimum of 20 points, which must include a minimum of two (2) wins of at least two (2) points each. Points may be gained at breed, group or Best in Show/ Specialty level. Only the highest points earned at a single show are carried forward.

**a) Grand Champion Point System**

Points towards the Grand Champion title, at breed level, are awarded to the Best of Breed, Best of Opposite Sex, Select Dog and Select Bitch. Points are calculated based on the number of animals competing at the breed level for the Best of Breed winner and the number of similar sex dogs competing for the other three (Best of Opposite, Select Dog, Select Bitch). The following schedule shall be employed in the determination of points awarded at breed level:

<b>*Dogs Competing</b>	1	2	3 to 5	6 to 9	10 to 12	13 & more
<b>Points Allocated</b>	0	1	2	3	4	5

Points awarded beyond breed level shall be:

<b>Number of Dog Competing at Group Level</b>	<b>Dog Placed First</b>	<b>Dog Placed Second</b>	<b>Dog Placed Third</b>	<b>Dog Placed Fourth</b>
13 or more	5	4	3	2
10 to 12	4	3	2	1
6 to 9	3	2	1	1
5	2	1	1	1
4	2	1	1	0
3	2	1	0	0
2	1	0	0	0
1	0	0	0	0

Best in Show (5 points)

\*b) In order to obtain a Grand Champion title, a dog must obtain at least two (2) points after 12 months of age. In counting the number of eligible dogs in competition, a dog that is disqualified, dismissed, excused or ordered from the ring by the judge shall not be included in the calculation for Grand Champion points.

**15.3 Grand Champion Excellent (GChEx)**

15.3.1 The title of Grand Champion Excellent may only be earned after the completion of the CKC grand championship title.

15.3.2 Points for this title may be accumulated at any time after the completion of the CKC grand championship but does not include the points earned in attaining the conformation championship or the grand championship.

15.3.3 A minimum of 100 points which must include one (A) Best in Show or a Best of Breed at a breed national specialty (where a minimum of ten dogs have competed) plus three (3) Group 1sts or three (3) breed Specialty wins.

**a) Grand Champion Excellent point system**

<b>Win</b>	
<b>Points</b>	
First in Group or Best in Specialty Show	5
Second in Group or Best of Opposite Single-Breed Specialty Show	4
Third in Group	3
Fourth in Group (Note: No points are acquired if no other dog is present in the group)	2
Best of Breed (To earn the breed points, at least five (5) dogs must be shown at breed level)	1
Best in Show or Best in National Specialty	10

15.3.4 Only the highest points earned at a single show are carried forward. For example, a dog that wins first in group and then wins Best in Show, earns 10 points, not 15.

15.3.5 The title of Grand Champion Excellent shall not be awarded retroactively. However, dogs that have been awarded the Grand Champion title prior to January 1, 2013, will be awarded the Grand Champion Excellent Title on application to the CKC.

**15.3.6 Additional Requirements**

To attain a Grand Champion Excellent title, a dog must have been awarded a CKC performance title from any CKC event. A CGN, Herding Tested Certificate, or Chase Ability Program title are not considered performance titles for the awarding of this title.

**8.4 Listed Dogs**

8.4.1 If a dog is not registered as in 8.3.1 (a) or (b) but is eligible for registration with the CKC, it may be entered at a show as a listed dog provided:

- (a) that if born in Canada, it is eligible for individual registration;
- (b) that if not born in Canada, it is eligible for registration in the records of the CKC;
- (c) that if it is a foreign born and owned dog, an Event Registration Number or CKC registration number is obtained from the CKC within 30 days of the first show entered.

8.4.2 Entry of a listed dog at a show must be accompanied by a listing fee as set by the Board in addition to the regular entry fee.

8.4.4 When a CKC registration number for a listed dog is received after the closing date and prior to the date of the show, this number may be added to the entry and noted in the marked catalogue. Listing fees will not be refunded. This then allows a dog who completes the requirement for championship status to be moved up to Specials.

**12.4 Failure to Compete**

12.4.1 Except for Puppy in Group or Show, an owner or handler shall be subject to disciplinary action for withholding a dog from competing for higher awards for which that dog is eligible. Any dog so withheld or absent will result in the cancellation of all awards won at that show (unless the dog is excused by the Show Superintendent).

12.4.2 Should a dog be marked absent in an official class, it may still compete in an unofficial or non-regular class at the same show.

**8.9 Moving a Dog to Specials**

8.9.1 A dog that is registered in the records of the CKC or that has a Miscellaneous Certification Number (MCN) and has completed the requirements for a championship in accordance with these rules but at the time of the closing of entries for show has not received confirmation of the title, may be transferred from one of the regular classes to Specials Only providing the transfer is submitted to the Show Secretary in writing by the owner or handler at least one hour prior to breed judging.

8.9.2 If it is established that a dog transferred to Specials Only has not completed the championship requirements, all awards will be cancelled and all ribbons and prizes won shall be forfeited. The owner may also be subject to disciplinary action.

8.9.3 When one or more all-breed and/or specialty shows are held on the same day, in the same venue, the request for moving of class dogs to specials must be made a minimum of one hour prior to the scheduled start of the show for which the dog is being moved up to. The Show Secretary shall amend the judge's book and the marked catalogue, which is to be sent to the CKC with the requests attached to the appropriate entry forms.

8.9.4 No dog may be transferred to another class except as provided in sections 8.2.5 and 8.9.1

**4.7 Indignities to a Judge**

4.7.1 A judge officiating at a show held under these rules shall not be subjected to indignities of any kind during the progress of the show. It shall be duty and obligation of the club holding the show to see that this rule is effectively carried out.

**11 UNSPORTSMANLIKE CONDUCT**

11.1 It shall be deemed unsportsmanlike conduct if a person during the running of or in connection with an event abuses or harasses a judge, show official or any other person present in any capacity at the event.

11.2 Any handler who displays unsportsmanlike conduct or who is seen to kick, strike or otherwise roughly manhandle a dog at any time during the holding of the event, may be expelled from the show by the Conformation Show Committee.

11.3 The judges shall also have the authority to expel a handler from a show if they observe unsportsmanlike conduct on the part of the handler or see the handler kicking, striking or otherwise roughly manhandling a dog while the event is in progress. It will be the duty of the judge to report promptly to the Conformation Show Committee the expulsion of a handler.

11.4 The Conformation Show Committee shall investigate, at once, any instance of alleged unsportsmanlike conduct on the part of the handler, or any report that a handler has been observed kicking, striking or otherwise roughly manhandling a dog. If the Conformation Show Committee, after investigation, determines that a handler is in violation of this section, and that the incident, if proven, would constitute conduct prejudicial to the sport or the CKC, it shall exercise its authority in accordance with the Complaints section of these rules.

**JUNIOR HANDLING****4.1 Conformation Class Structure**

4.1.1 Classes in Junior Conformation Handling competition shall be divided by age as follows:

**(a) Pee Wee Class**

This class is for handlers 4 years of age on the date of the competition up to the date of their 7th birthday. This class is optional and non-competitive. No placements are to be awarded; only participant ribbons, rosettes and token trophies may be presented.

4.1.2 **Method of moving between classes** shall be as follows:

(a) If a handler achieves 6 first place wins with competition, he must move to the Open Class within his age group.

(b) Points are to be carried forward from one level to the next.

**ADDITIONAL RULES AND REGULATIONS**

The club reserves the right to remove any person(s) from the show and the show grounds. The Show Superintendent shall have full control of these shows and trials, which are governed by CANADIAN KENNEL CLUB (CKC) rules.

Any person excused by the Show Superintendent or Veterinarian for any reason shall not, compete in any class for any awards for the balance of the shows, trials and or events.
